Each year, Harmony Day is celebrated all over Australia on March 21. The theme of Harmony Day is:

**Everyone Belongs**

*Our diversity is our strength.*

Garran Primary School will celebrate Harmony Day on Monday, March 21. It is a day to recognise and celebrate the cultural diversity of our Garran School community. Students are invited to wear their own national costume or wear something orange - the Harmony Day colour. *(If these options are unavailable, students can wear their sport house colour.)* At 9am Monday 21 (before entering school) students will pause to acknowledge this day and celebrate the diversity of cultures represented at Garran Primary.

Please talk to your children about their cultural heritage, so they can share information in class about their family background (country of birth, language, special days, games, food etc). Children may be asked to think about the following:

- **What is your cultural heritage?**
- **‘What is Harmony?**
- **What does belonging mean?**
- **How can diversity be a strength at Garran Primary?**

Thank you for your support.
