Dear Parents /Carers

On Wednesday March 16th the Joeys will be celebrating Harmony Day with special activities at preschool. Following this on Friday March 18th we would like to invite all families to continue the celebrations by joining us in the Multicultural Picnic at 6.00pm at preschool.

How can families help the Joeys make this a special celebration on Wednesday at Preschool?

You could:

- Do a special craft activity from your family’s culture?
- Lend us a flag from your family’s country.
- Teach the children a song or game from your country.
- Show us your national costume, or even let the children try it on.
- Tell us/show us about your country.

We would like children to wear orange (the colour of Harmony Day) or their national costume (if it is suitable for playing at preschool!)

How can families help Garran Preschool make this a special celebration on Friday Evening?

- Join us at the preschool from 6.00pm.
- Bring a plate of food, to share, from your family’s country for our Multicultural Picnic.
- Wear national costume or orange clothing.

Every family’s culture is unique. We look forward to sharing your family’s culture with all at the preschool.

To help us with the planning we ask that you please return the attached note to preschool by Tuesday 8th March.

Kind Regards,

Tamsin, Devika, Mariana & Sharon
HARMONY DAY HELP

Wednesday March 16th:

Parent/Carer name: ..............................................................................................................

I can help by: ............................................................................................................................

........................................................................................................................................

Friday March 18th:

We can bring food from................................................................. (country).
