

Purchasing Devices- Garran Primary School Purchasing Portal

The Garran Primary P&C have set up a purchasing portal with support from ASI Solutions which includes various BYOD devices, accessories, support, finance, insurance, frequently answered questions and purchasing options.

Details for accessing the portal are as follows:

<https://garranps.asi.com.au/customer/account/login/>

Please use code **garranps16** to register.

Once you have logged in to the portal you will see a range of Chromebooks, headphones, mice and other relevant accessories that are available for you to purchase.

ASI Solutions have helped with the setup of the portal and they also offer support for any products that are purchased through our portal. Contact details for ASI Solutions can be found within the portal or by calling: 02 62249700

Parents and carers of students who are not part of the school BYOD program are most welcome to purchase through the portal as well.

If you have any questions regarding the BYOD Portal, please contact the school on 61420840.
